- Competition and Paralympic Development ...................................... 34-37
Move United is the national leader in community adaptive sports, empowering 100,000 youth and adults with disabilities each year to live to their fullest potential. Move United’s 200 member organizations in 43 states are united by a single mission: ensuring everyone, regardless of ability, experiences the life-changing power of sport and is fully included in their community.

Move United, an Affiliate of the U.S. Olympic & Paralympic Committee, provides opportunities for individuals with disabilities to become physically and emotionally stronger through participation in 70 adaptive sports. Established in 1956, Move United offers community-based sports recreation, education and competition that push people further, bring people closer and leave no one on the sidelines.

This resource booklet may not include every adaptive sports organization available to veterans. This booklet should not be seen as an endorsement of the included organizations by Move United.
Move United Warfighters offers sports rehabilitation for veterans and members of the Armed Services with physical disabilities. Since its inception, Move United Warfighters has proudly served more than 15,500 wounded warriors and their family members, including those injured in the Iraq and Afghanistan wars, at no cost to the warfighter or family. Sports make us victorious, more resilient and stronger every day. So shift the narrative and join forces with us.

Visit www.moveunitedsport.org/warfighters.

15,500
WOUNDED WARRIORS SERVED

BECOME A MOVE UNITED WARFIGHTERS AMBASSADOR

Ready to make a difference in your community? Learn more about becoming a Move United Warfighter Ambassador. As an ambassador, you represent Move United Warfighters with a dedication to service and the unique ability to be an advocate for people with disabilities. **We need your help** to further the mission and vision of Move United by getting more people with disabilities enjoying the benefits of adaptive sports!

Learn more at [www.moveunitedsport.org/ambassadors](http://www.moveunitedsport.org/ambassadors)
MOVE UNITED PROGRAMMING

MOVE UNITED MEMBERSHIP NETWORK
The Move United Membership Network is made up of organizations that provide local, regional, and/or national sports programming to athletes with disabilities. These organizations have access to a variety of direct and ancillary benefits, that enhance and foster the continued growth of adaptive and inclusive sports programming nation-wide. www.moveunitedsport.org/membership.

MOVE UNITED EDUCATION
As the nation’s leading provider of training in adaptive sport, Move United Education develops the tools and resources to lead society to a world where everyone’s included. Interested in adaptive sport career development? Find more training resources and free professional development opportunities available to you. www.moveunitedsport.org/education
USA WHEELCHAIR FOOTBALL

The USA Wheelchair Football League is the first of its kind football league for adults with disabilities to reach their highest potential through a competitive, fast-paced, team sport. The USA Wheelchair Football League brings together highly trained coaches with passionate athletes, building skills and inspiring athletes to excel both on and off the field through teamwork, dedication, and resilience. www.moveunitedsport.org/football
Move United OnDemand provides a high-quality, engaging fitness platform adapted for different abilities and body types. Through highly trained instructors and workouts that are fun, dynamic and engaging, athletes with disabilities can enjoy the benefits of healthy, physical activity at home and other places where you train.

Find the workouts that match your needs and goals. With classes in six key fitness areas that range from 10-45 minutes, you can get a high quality workout, no matter your interest level or time constraints. Get active and moving with Move United OnDemand.

www.moveunitedsport.org/ondemand
For more than 20 years, Move United Magazine has been the leading multi-sport, multi-disability adaptive sports magazine that today has a circulation of 35,000. Issues focus on adaptive sports, adaptive athletes and Move United member network. Move United magazine is published three times a year and is free to youth and adults with disabilities.

Move United maintains a comprehensive list of adaptive sports equipment suppliers here: www.moveunitedsport.org/equipment

APPLYING FOR ADAPTIVE EQUIPMENT

As a wounded service member, you may be eligible for adaptive equipment through the VA, whether you are active duty or a veteran. The following is a brief guide to navigate the process for receiving adaptive equipment.

1. Register through the VA. blogs.va.gov/nvspse/training-allowances

2. Identify your interests. The process can move more quickly if you already have documentation of participation and trials of several pieces of adaptive equipment to know which one works best for you.

3. Consult your primary care provider. They will help initiate this process and make referrals as needed. Medical clearance is required.

4. Get a full evaluation. Typically done through the rehabilitation department, this assessment includes education and identification of adaptive equipment as it relates to your specific physical needs and interests.

5. Identify Appropriate Equipment/Submit Request. Based on the evaluation, you and your rehabilitation team will select equipment to accommodate your needs. Next, a formal request will be submitted for final approval.

6. Receive your equipment. Final fitting and adjustments are made when equipment is issued.

COMPETITION AND PARALYMPIC DEVELOPMENT
For Disabled Veterans and Members of the Armed Forces interested in pursuing competitive opportunities or Paralympic-style sports, the pathway to the podium varies by sport. However, all sports follow a similar path of participation from recreational to developmental to emerging and finally to elite. Athletes are invited to participate at any point along that continuum and encouraged to reach their personal goals for achievement in sport. To learn more about a specific sport’s opportunities to compete, head to TeamUSA.org.

Additionally, Move United’s Sanctioned Competitions offer an opportunity for you to compete locally, regionally and nationally. The Sanctioned Competitions offer a variety of summer sport opportunities for athletes along the pipeline from recreational to Paralympic.

To learn more, visit www.moveunitedsport.org/competitions
1. ELIGIBILITY

A Veteran athlete must be nationally or internationally classified by his/her respective Paralympic sport federation to be eligible for Paralympic competition in that sport

OR

A Veteran athlete, with a service-connected disability rated 30 percent or greater by VA, must be selected for a national Olympic Team for any month in which the Veteran is competing in any event sanctioned by the National Governing Bodies of the U.S. Olympic Sport, in accordance with Public Law 114-223.

The VA National Veterans Sports Programs & Special Events Office provides a monthly training allowance for Veterans with disabilities who are training in Paralympic sports or Veterans with disabilities who are selected for or competing with the national Olympic Team, as authorized under 38 U.S.C. 322(d).
2. MEET THE PERFORMANCE STANDARD

To be eligible for the athlete stipend program, a Veteran with a qualifying disability must meet the minimum performance standards or higher (e.g., emerging athlete or national team) in his/her respective Paralympic sport at a recognized competition.

3. TRAINING PLANS

Athletes must have established training and competition plans and are responsible for turning in monthly and quarterly reports in order to continue receiving the monthly assistance allowance.

To learn more about the specific sport standards or the monthly assistance allowance, email us at sports4vets@va.gov.
These programs are funded in part by a grant from the United States Department of Veterans Affairs. The opinions, findings and conclusions stated herein are those of the authors and do not necessarily reflect those of the United States Department of Veterans Affairs.
